## EDUCATION

**Galgotias College of Engineering and Technology**

GPA 7.82

Knowledge Park II, Noida

November. 2022 – November 2026

## EXPERIENCE

**Nothing Technology Limited.**

April 2024 – Present

*Beta Tester(Prototype)*

*Gurugram / Remote*

- **Achieved top performer status over the last 10 months, always been the top performer, with maximum time at the first position.**
- Helped in advanced beta level testing to finding 900+ critical bugs and vulnerability in multiple devices(Smartphones, Headphones, earbuds and smartwatches) to helping make device give its best performance experience.
- Submitted detailed reports with steps to reproduce issues, screenshots, and relevant information to assist the development team
- Monitored software performance, including speed, responsiveness, and stability under different conditions.
- Conducted comprehensive testing across various devices, operating systems, and browsers to ensure compatibility.

## EXTRACURRICULAR ACTIVITIES

**Google DSC GCET**

Sept. 2024 – Present

*Lead of Competitive Programming and DSA*

- Organized and conducted workshops and events focused on competitive programming and data structures and algorithms.
- Provided mentorship and guidance to peers, helping them understand complex concepts and solve practice problems.
- Collaborated with other GDSC leads to integrate competitive programming and DSA into broader club activities and initiatives.

## PROJECTS

**Real-time disaster data aggregation**

Jan 2025

- Developed a real-time disaster data aggregation system for swift emergency response using python, mongoDB and OpenStreetMap.

**Library Management System**

Aug 2024

- Created a library management system UI using C++ STL libraries.

## AWARDS

**Fee Waiver Scholarship**

Nov. 2022 – Present

- Awarded for being in the **top 5 percent** of JEE rank holders in each branch at AKTU.

**Academic Excellence**

- Ranked in the top 13 percent among over 1 million candidates in the JEE Mains exam 2022 and Qualified for JEE Advanced Exam 2022.
- Secured 1st position in the 2nd semester in my class with a CGPA of 8.23 and successfully changed my branch from ECE to IT.

## TECHNICAL SKILL

- **Programming Language** : C++, Java, JavaScript, Python
- **Development Skills**: HTML, CSS, JavaScript
- **Other Skills**: MongoDB, Node.js, Git, React

## CERTIFICATION AND COURSES

**Certificate** : Python for programming solving from NPTEL[IIT-Ropar], The Aspire Leaders Program 2024 [Harvard Business School.]

**Courses**: Cyber security, PHP, DSA with java from GFG, Web development course from Udemy.
